

## Northgate PFC Scrip Gift Cards Bronco Bucks Program

Thank you for your interest in Northgate's Bronco Bucks Program. You can raise money for our student's education on every day purchases you are already making. A rebate percentage of each gift card you purchase under the program goes to Northgate PFC, which uses the funds to support Northgate classes, teachers and educational programs. We deliver the cards to you each month and the best part is **there is no extra cost to you!**

There are hundreds of local and national retailers that participate in this program. You can use the gift cards you buy to make your everyday purchases of groceries, clothing, electronics, home improvement, movies, dining out, travel and more. It is a quick and easy way to get your holiday or gift shopping done as well!

Do you shop at Safeway or Nob Hill Foods? Do you go to Peet's Coffee or Starbucks to start your day? We sell all those cards. Do you have a favorite restaurant you frequent? At [www.shopwithscrip.com](http://www.shopwithscrip.com) you can see the complete list and the rebate percentage that Northgate receives. In addition to the retailers on the list, we also offer Rocco's Ristorante, and Chef John Lee Restaurant gift certificates.

An example of how Northgate benefits:

If you purchase two \$100 Safeway cards (4% rebate), Northgate receives \$8. By ordering that amount every month for the school year, Northgate gets \$80. If twenty families did the same monthly order, Northgate would receive \$1,600. **Imagine if 100 families did that - Northgate would get \$8,000 for the year!**

The sign-up process is easy. Email Sandra Percario at [nghsbroncobucks@msn.com](mailto:nghsbroncobucks@msn.com). I will give you an access code to input at the Shop with Scrip website.

Once enrolled, you will get monthly reminders before orders are to be placed and before cards are to be delivered. Order deadlines are the first Friday of each month and the cards are delivered to you the following week. We can place a monthly standing order for you, so you don't have to do the work! You can also reload a previously purchased card or print an escript card for use any time once payment is received. Payment can be handled 3 ways: 1) We will collect your check at time of delivery 2) You can mail your check to the Bronco Bucks Treasurer 3) You can use the secure and convenient Presto Pay where the funds are debited from your bank account for a 15 cent fee per total monthly order.

Thanks again for your interest and hope to count you in as a Bronco Bucks supporter soon! Please feel free to contact me with any questions.
