The PFC E-Newsletter is published on a bi-monthly basis. Articles should relate to PFC or PFC-funded activities and events. Only articles related to MDUSD or Northgate and the Northgate Community will be considered for inclusion. Advertisement for one’s personal business will not be sent out via eNews. If your article is of an urgent nature, eBlasts can be arranged per PFC President approval.

Please submit your articles to the Communications email box by the eNews Friday Deadline (listed below) to have your article included the following eNewsletter.

Articles should be sent using the wording desired. The Communications Team will copy and paste your text into the newsletter. We are not responsible for spelling, grammar, or the accuracy of details in your article. However, we will strive to fix any glaring errors.

Please keep the article to 150 words or less and submit them in Microsoft Word format. If desired, you can include a small picture to go with your article. Graphics should be submitted in JPG, PNG, or GIF format.

All articles are subject to the PFC President’s approval.
