

Thank you for your interest in Bronco Bucks. You can raise money for our student's education on every day purchases you are already making! A percentage of each gift card you purchase under this program goes to Northgate!

Here is how our program works:

1. Create an account at [www.shopwithscrip.com](http://www.shopwithscrip.com) - our school code is 438AF2LC16337.
2. Place your order for gift cards by the **first** Friday of each month, a reminder email will be sent a week in advance.
3. We deliver your cards to your home the following week. We email you a reminder that cards will be delivered within 24-48 hours and to please place your check in a predetermined secure location.
4. One last email to let you know that all cards have been delivered.

What we need from you:

1. Address, email, and phone number. Also name and grade of child(ren) at Northgate.
2. A secure location where we can leave your cards if you are not home at time of delivery (a lockbox or under the front door mat, etc.)
3. The location where you will leave your check or if you will be mailing your check. Checks are made payable to Northgate PFC.
4. Presto Pay, an on-line payment system is also available, or a \$.15 cent fee per total order. Let us know if you are interested in this option.

2017-18 Northgate Bronco Bucks Committee:
