

Northgate Education Fund

Please support continued excellence at Northgate

High quality schools are a primary reason most of our families choose to live in the Northgate area, and we ask that you support the Education Fund in order to maintain and enhance the excellence at Northgate High School. The Northgate Education Fund is the PFC's primary source of funds to bridge the gap between public funding and the current, true cost of the full educational experience we want for our students.

The Education Fund is the PFC's primary fundraiser for the school year. **Every student benefits from your Education Fund donation and 100% goes back into the school.**

Where does this money go?

- **Technology** – continued purchase of equipment towards goal of one device per student
- **College and Career Center**
- **Support Counselors** – licensed professionals on campus every day for student support
- **Extra Classes** – flexibility resulting in more courses available and smaller class sizes
- **On-site Computer Technician**
- **Teacher Training and Development**
- **Campus Beautification, Baccalaureate, Teacher Appreciation, Special Education and more!**

The encouraged contribution for 2016-17 is \$350 or more per student. With a donation of \$350 or more you will be part of Northgate's Education Fund Donor Circle:

Bronco Level.....	\$350 to \$624
Crimson Level.....	\$625 to \$1,249
Gold Level.....	\$1,250 to \$2,499
Honor Society.....	\$2,500 or more

Donor Circle donors will receive special acknowledgement in PFC Publications and window decal.

We understand that every family's situation is different, and our goal is to have 100% participation from Northgate families, regardless of the dollar amount of the donation. **No amount is too small and every dollar makes a difference for our school.**
